

PETITION FOR LADY LIBERTY

The Goosehill Neighborhood Association is seeking your support to bring home a replica of our Lady Liberty to Steinmetz Park as part of a proposed tribute to our Neighborhood Veterans. Lady Liberty, which stood proudly at the former Liberty Park for nearly 60 years and has been in storage since it was removed from the Park five years ago, was the inspiration and hard work of Boy Scout Troop 66 of Goosehill. We feel a connection not only to the Statue and what it stands for, but the purpose for which it is intended, a showpiece that will not only educate our youth but honor those who served so bravely in our Military, many of whom were immigrants to this Country and in fact helped create this Statue.
